A Tailor-Made Surprise

— PART 1 —

The kingdom of Arendelle is abuzz with excitement! Tomorrow Anna, the new queen, will unveil a statue in the city square to celebrate her father and mother, **KING AGNARR** and **QUEEN IDUNA**. It will be a very **SPECIAL EVENT**, and everybody is getting ready.

Olaf, Kristoff, and Sven are delivering some bolts of fine cloth to the **ROYAL DRESSMAKER**. “What do we need these fabrics for?” Olaf asks. “These are for Anna’s new gown! **SPECIAL EVENTS** call for **SPECIAL OUTFITS!**” Krystoff says.

When Kristoff, Olaf, and Suen enter the royal dressmaker's **ATELIER**, they see a lot of **COLORFUL FABRICS** and **NICE CLOTHES**. "Uh, I like this!" says Olaf, picking up a shirt and looking at his reflection in a mirror.

Just then, Suen scoops up some fabric with his antlers. Then he exchanges glances with Olaf. "Suen, you're right!" Olaf says with glee. "We should **ALL DRESS UP** for Anna's special day and show her how much **SHE MEANS** to us!"

"Good idea! Anna will be really happy!" Kristoff agrees as the royal dressmaker's assistant starts **MEASURING** his arms, waist, and trunk to make a **PATTERN FOR HIS OUTFIT**. Suen smiles: he likes the idea of dressing up for the big event.

Meanwhile, the royal dressmaker looks a bit thoughtful. “Do you want to measure my arm?” Olaf says, pulling out one of his **STICKY ARMS**. “Ahem... thank you...” she says. But then she scratches her head. She has plenty of ideas for Kristoff, but she has never outfitted a **REINDEER** or a **SNOWMAN** before!

Suddenly, Sven grunts. “Wait, what’s that?” Olaf asks, looking at the **COLORFUL SWEATER** on the dressmaker’s assistant. “Why, Sven, you’re a genius! **WANDERING OAKEN’S TRADING POST AND SAUNA** will be the perfect place to find an outfit.” Kristoff stares at them in disbelief. “You can understand him?” “Of course!” Olaf answers proudly.

“We’ll meet you back at the **TOWN SQUARE!**” Olaf says as he and Suen head off to Oaken’s. “I promise we’ll find the best outfits ever!” Kristoff shakes his head. The royal dressmaker’s creations are **UNIQUE WORKS OF ART**, and he doesn’t think his friends will find anything as **ELEGANT** at Oaken’s store!

Up in the **MOUNTAINS**, Oaken welcomes Olaf and Suen to his store. “Hoo-hoo, **BIG SALE** today!” he says. “Free visit to the sauna with every purchase.” “Sounds tempting,” Olaf comments. “But right now we need **SOMETHING SPECIAL** to wear.

What’s in **FASHION** for **REINDEER** and **SNOWMEN** this season?” Olaf asks. Oaken’s eyes light up. He’s sure he has just the thing! “Follow me to the **CLOTHING DEPARTMENT**. Most of it is of **MY INVENTION!**”

Pleased with their success, Olaf and Sven thank Oaken and head back to the town square to meet Kristoff and show him their purchases: a pair of **MUKLUK** boots and a **FURRY CAP**. But... his reaction is not what they expected. “What are you wearing?” he asks, perplexed. “**SPECIAL CLOTHES** for a special day!” Olaf answers proudly.

“They certainly are for **SPECIAL OCCASIONS**,” Kristoff agrees. “Just maybe not **THIS** occasion.” Olaf is concerned as he and Sven slip out of their *mukluks* and hat. There isn’t much time before the **UNVEILING** of the new statue, and... they still don’t have anything to wear! What will they do?

Just then, **GENERAL MATTIAS** walks by, chatting with his dear friend **HALIMA**. “I know, Sven!” Olaf says, looking at Mattias. “Maybe we should wear a **UNIFORM**, like him. It is so elegant!” “I don’t think you can, but we’ll ask Mattias for **ADVICE**! He certainly knows what to wear on a special occasion,” Kristoff says.

Kristoff, Olaf, and Sven ask Mattias for his guidance. “Hmm,” Mattias says, stroking his chin. “I just might know **SOMEONE WHO CAN HELP**!” Mattias and Halima accompany Olaf and friends to the **TAILOR’S SHOP** and introduce them to **KARL**. “He’s a tailor and an **ARTIST**. He makes amazing clothes, and I’m sure he can **DRESS YOU FOR SUCCESS**!” Mattias says.

Creative Cooks

After a day of adventure, Anna, Elsa, Sven, and Olaf have rushed to the kitchen to see what the castle's talented chefs have prepared. The chefs have been training for years to perfect their art.

CUT along the lines, then **TRIM** the sides of the flaps to make a V shape between them.

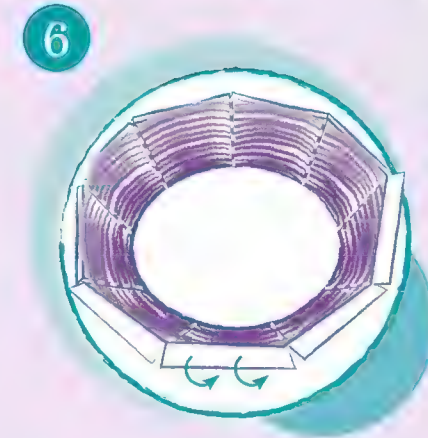

FOLD each flap to form the bowl, as shown. **TRIM** the flaps again if they overlap.

SLIDE a length of wool in and out of the flaps around the bowl, leaving a tail. **PUSH** down each row of wool so the plate isn't showing.

A Tailor-Made Surprise

—PART 2—

Karl is happy to help Mattias's friends and starts working immediately. "For you, a **SMART TIE**, I think!" he tells Sven while looking around his shop for the right fabric. "Aha, perfect!" Karl exclaims as he pulls the **PURPLE-AND-GREEN-STRIPED CURTAINS** from the window and ties them into a bow around the reindeer's neck.

"This will bring out your eyes," Karl says. "But I strongly recommend a shave!" he adds. Sven admires himself in the mirror. "I couldn't have said it better, Sven," Olaf says. "What did he say?" Mattias asks. "He's speechless because his tie is a **MASTERPIECE**," Olaf answers with a big smile.

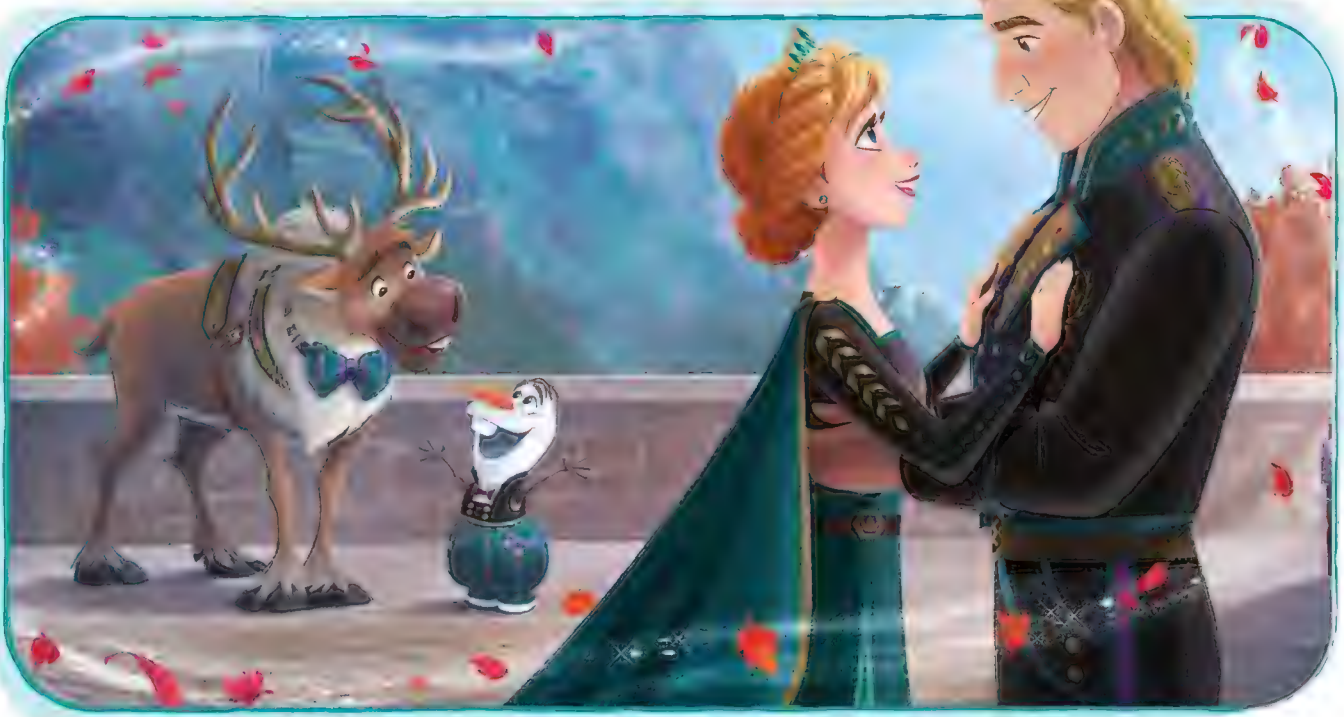

Continued from Page 9

The next it's Olaf's turn! Karl knows what to do and... stitches the leftover curtains into a pair of **PANTALOONS**. Then he takes a **CUSHION** off a nearby footstool and transforms the fabric into a **MATCHING VEST AND BOW TIE**. What an artist! Mattias and Kristoff are very impressed. Now Sven and Olaf are ready to attend the big event!

The next day, at the **STATUE'S CEREMONY**, Anna is thrilled to see Kristoff, Olaf, and Sven in their new clothes. "Aw! Your outfits are so **ORIGINAL!**" she tells Olaf and Sven. "Did you boys get dressed up for **ME**? Thank you!" she says, flattered. Sven snorts proudly. "It was Sven's idea!" Kristoff explains with a wink.

When Kristoff tells Anna how much they cared to find the right clothes for Olaf and Sven, she is deeply **TOUCHED**. “I’m sorry you’ve gone through all that trouble for me,” she says. “No way, **IT WAS FUN!**” Olaf reassures her happily. “We really enjoyed meeting the royal dressmaker, visiting Oaken, and then spending time with Karl, the artist!”

Anna says that their new clothes are so special because the royal dressmaker and Karl made them with **TALENT** and **LOVE**. “You’re right, but now I need to change...” Olaf says, taking off his outfit. “These clothes are amazing but **WAY TOO TIGHT** for a snowman. How do you do it?” Everybody laughs, and then they enjoy the view of the beautiful statue of Anna and Elsa’s mother and father, a **PRESENT** for the **WHOLE KINGDOM**.

HOW TO PLAY

This is **A GAME FOR TWO TO FOUR PLAYERS**. **CUT OUT** the counters and die from the inside back cover. **GLUE** them to card stock and **TRIM** to fit. **ASSEMBLE** the die. Take turns rolling it and moving the number of spaces shown. The first person to reach the finish wins!

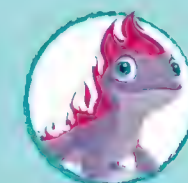

If you land on **GALE**, travel up its swirls to the square it shows you.

If you land on an **EARTH GIANT**, lose a turn.

If you land on the **WATER NOKK**, ride with it to the next space with an elemental spirit.

If you land on **BRUNI**, roll the die again.

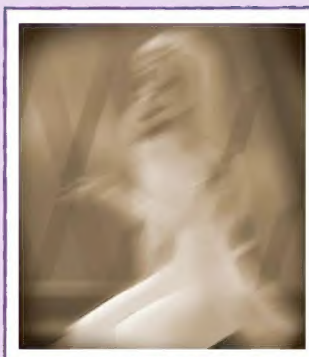

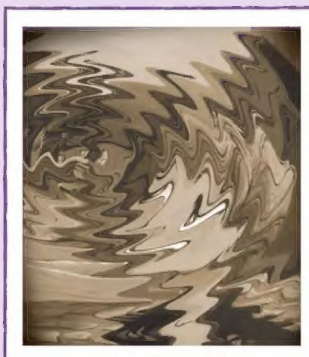

A Photographer in the Making

Taking a good picture is not as easy as it looks. Fin is finding that out! Anna and Olaf are giving him some support as he practices his photography skills.

IT TAKES PRACTICE

Fin's father is an artist, too! He's the royal painter who portrayed Anna's family. **PLACE** these paintings in order of size, starting with the smallest. **WRITE** the numbers in the circles in the correct order.
